Process to Zirconia Prosthesis

Warranty, Maintenance & Consent Form

SECTION 1 — TRANSITIONING TO YOUR ZIRCONIA PROSTHESIS

Dr. Pulver has determined you are clinically ready for your permanent Zirconia prosthesis. Both your temporary and Zirconia prostheses are dental prostheses — not natural teeth. You may notice differences in speech, bite sound, size, shade, or feel during your adaptation period.

I confirm that I:

- Have been informed I am clinically ready and approved the shade, shape, and size of my Zirconia prosthesis.
- Understand that cosmetic changes after fabrication will incur additional fees.
- Accept no prosthetic can perfectly replicate natural teeth and have realistic expectations.

SECTION 2 — MAINTENANCE REQUIREMENTS

Maintenance is required to keep your warranty valid. Annual appointments are mandatory, or more frequently per Dr. Pulver's recommendation. Maintenance must be completed at our office or records submitted from an outside provider.

Appointment	Fee	Includes
Single Arch	\$550.00	Exam, X-rays, removal & cleaning (~90 min)
Dual Arch	\$1,000.00	Exam, X-rays, removal & cleaning (~2 hrs)

Cancellation: 48 hours' notice required. Late cancellations incur a \$150.00 fee.

SECTION 3 — WARRANTY

Warranty begins at Zirconia delivery and remains valid only when all requirements below are met. Duration is stated in your signed treatment plan.

- Follow all at-home hygiene instructions (daily Waterpik use, bridge flossers).
- Follow all diet instructions (avoid ice, popcorn kernels, hard/crunchy foods).
- Wear your nightguard every night as directed.
- Complete all required annual maintenance appointments, or the warranty is void.

SECTION 4 — WARRANTY EXCLUSIONS

The warranty does not cover: cosmetic changes, arch matching after additional work, missed maintenance, accidental damage, or lost nightguard.

Current replacement fee: \$3,500.00 per arch. Additional fees may apply for exams, X-rays, and parts outside scheduled maintenance.

PATIENT ACKNOWLEDGMENT & CONSENT
